This event is completely free to the public and all are welcome. Come share in the excitement in the gallery or come on in and participate for the training.

People with disabilities are encouraged to come and ski or come and check it out if you are not sure.

We have a sit ski which provides a fun and comfortable way to enjoy time on the water.

This is a great way to learn about adaptive sports and recreation through this discipline of water skiing.

Browns Lake Aquaducks come to provide ample ski talent for a great adaptive water ski experience powered by the Lynzay Legois Free Water Ski Club.
