

### **Healthcare Assistant Opportunities**

Are you going to school for a healthcare related career? Our healthcare assistant position might be for you. We hire four healthcare assistants for the summer. You will always work under the direction of skilled, licensed healthcare staff. You will sleep in a cabin with campers and be assigned to work with a cabin group when you are not working in the Health Lodge. It is not required to be a certified nursing assistant, but it is beneficial. AED, First aid, and CPR certifications are recommended.

To apply, please click [here](#).

The Healthcare Assistant job description is [here](#).

### **Graduate Nurse Opportunities**

One graduate nurse position starts in the Healthcare Assistant role until you pass you NCLEX exam. After successfully passing the NCLEX, you will then work as a licensed healthcare staff.
