

Welcome to the Wisconsin Lions Camp!

The camp is owned and operated by the Wisconsin Lions Foundation, Inc., a non-profit organization founded to administer the summer camp program and four other statewide programs primarily supported by the Lions, Lioness and Leo Clubs of Wisconsin.

We look forward to being able to work with you to host your conferences, retreats and workshops. The Wisconsin Lions Camp is a beautiful 440 acre facility located outside Rosholt, Wisconsin. We feature a private 45 acre lake, comfortable duplex cabins, and excellent food service, along with a myriad of programming options. Our friendly, skilled staff will assist you in every step of planning your time with us from setting up meeting spaces to facilitating teambuilding experiences. Each year, thousands of people experience personal and professional growth by participating in the rental programs at the Wisconsin Lions Camp. We pride ourselves in the ability to deliver outstanding quality and service to a wide range of clientele, from non-profit organizations to corporations. We invite you to come and see what we can do for your next event.

Our rental season runs from September through May each year. We are unable to provide overnight programming from the beginning of June to the end of August. This is due to our summer camp programs, where we offer free one-week camping sessions to children and adults of Wisconsin with disabilities. We may be able to offer day programs during the summer months; please call for availability. Due to the extraordinary effort required, we are not available for weddings. All fees we generate from our rental groups help offset our summer camp costs.

The Wisconsin Lions Camp has assembled the enclosed price guide for the 2020 year. Please note that all prices are subject to change without notice.

Thank you for your interest in an experience at the Wisconsin Lions Camp. We look forward to working with you!

Lodging

The Wisconsin Lions Camp reserves the right to assign duplexes 1 – 9 to groups as reservations are processed. Please note the minimum commitments for the buildings. If you cannot meet the minimums, you must pay for the minimum commitment in order to use that building. Groups of 180 or larger will automatically be considered to have exclusive use of the Camp, including all lodging facilities at our base rate of \$22.00 per night and all meeting spaces with no additional charge.

Bedding is available for rent and includes: 2 sheets, pillow, pillowcase, and a blanket for an additional \$5.00 per person. The prices below are quoted *without* bedding. Please note that the beds are twin size.

Children three years old and under will receive their lodging for free when accompanied by a parent or guardian.

Duplexes 1 – 8

\$22.00 per adult per night

Minimum Commitment: 12

Our duplex cabins are designed with the participant in mind. Each duplex has two cabins with 10 beds each, complete with personal wardrobes for clothing storage. Between the sleeping areas is a comfortable lounge area, complete with a microwave and hotel refrigerator, as well as accessible bathrooms. All duplexes are winterized and offer air conditioning for the warm months.

Arts Building

\$22.00 per person per night

Minimum Commitment: 2

The arts building offers more private accommodations for children and adults with disabilities, group leaders who need to have a space to work in or simply as overflow housing for a program. It is accessible with bathrooms inside the building, a central lounge area and separate sleeping areas.

Health Lodge

\$30.00 per person per night

Minimum Commitment: 5

With 10 private rooms and three bathrooms, the Health Lodge offers the most private lodging on Camp. This space is for groups with participants who may need extra privacy or accommodations. The basement can be used for meeting spaces without disturbing those that are living in the building.

Duplex 9

\$24.00 per person per night

Minimum Commitment: 12

Duplex 9 offers a similar design to our other duplexes; however, it includes an additional meeting room and recreational activities on the lower level. If the group does not use the meeting room, the rate is \$22.00 per night.

Pinewood Lodge

\$26.00 per person per night

Minimum Commitment: 32

For larger groups looking to stay close together, consider our Pinewood Lodge. The Lodge boasts six cabins with eight beds each for a total sleeping capacity of 48, four bathroom facilities with showers, an upstairs lounge with fireplace, a downstairs meeting room capable of seating 50 people and two smaller breakout rooms. A kitchen facility is also available inside the building for a \$150.00 per 24 hour rental fee. Priority will be given to groups who wish to use both Pinewood and the kitchen.

RV Sites and other Camping

Please note that RV sites and tent camping sites are not available on an individual basis; these users must be part of a larger group using some of the other Camp facilities.

- Our RV sites rent for \$15.00 per RV for the first night without electricity and \$25.00 per RV for the first night with electricity. Any consecutive nights are \$10.00 per RV. No water or septic hookups are available.
- For larger groups needing overflow, tent camping areas are available for \$5.00 per person or \$15.00 per family per night.
