Units are made of 2-3 similarly aged cabins. Unit Activities are pre-scheduled activities where units travel together. These activities are focused on learning something new and exploring each of the program areas at Camp (Boating, Swimming, Climbing, Archery, Environmental Ed, Crafts, Sports).

After lunch campers choose one area to go to for the hour- either Boating, Swimming, or Sports! During this hour there isn't a structured activity- it is free time in the area that they choose.

Specialized Activities are a sign-up system. There will be ~5 activity options each block. Campers get to choose where they would like to spend their afternoon.
