

Wisconsin Lions Camp Pre-Camp Health Screening 2021

Camper Name: _____

Session: Diabetes 1 July 11-15, 2021

The best Camp sessions start with healthy campers and this begins at home. In an effort to minimize illness at Camp this summer, you have two options regardless if your camper has been vaccinated for Covid-19.

- Option 1: Your camper take a Covid-19 PCR test up to 72 hours prior to arrival. Your camper must bring a paper copy of the negative Covid-19 results to Camp on July 11, 2021.
- Option 2: Your camper will self-screen for 14 days prior to their arrival at Camp. Your camper must bring this completed form to Camp on July 11, 2021.

Please indicate if your camper has any of the following symptoms prior to Camp and record a temperature daily. If any temperature or symptoms are present, please have your camper evaluated by a licensed provider and contact Camp for further guidance.
