Departure:

Departure is a general time frame from 6:00 – 8:00 PM on Thursday nights. Campers will be eating supper from 5-6 PM and after that departure will begin.

We ask that adult campers have their luggage packed up and ready to go before supper on Thursday. If you are departing as a group, your luggage will be picked up at a designated time and brought up to the front gate.

We'll send your rides down to your cabin to pick you and your luggage up. Remember to stop by the health lodge to pick up medication if you asked the health lodge to administer your medications.

Please give us a call at camp with any questions regarding this process. Thank you!
