

Wisconsin Lions Camp

General Camp Information

Young Adults with Intellectual Disabilities or Autism Session

Due to the high volume of medications we see at Camp, we must follow the following steps to ensure your safety in the Health Lodge. Please contact our Healthcare Supervisor with any questions.

- The following forms **must** be at Camp by June 14.
- **We will cancel any camper who does not have their forms in by the deadline.**
 - A health history form, to be filled out by the legal guardian annually for up-to-date health information.
 - A physical examination form, based on an exam dated after August 2, 2022 filled out by a licensed MD, PA or NP must be on file. This is only due if it is sent to you – exams are good for 24 months.
 - All follow-up forms such as diabetes, seizure, mental health concerns, anaphylaxis allergy or asthma questionnaires need to be filled out to give us detailed information about the condition.
 - A waiver form, to grant permission for medical treatment and care.
- Turn in all medications, including over-the-counter medications, vitamins and homeopathic remedies. All medications must be in the original container with your camper's name, dosage and times clearly stated. If any information is missing, we cannot administer that medication. Please consider which medications are necessary for the week they are at Camp and plan accordingly by only bringing what is needed plus one or two extra.

Camper phone calls: We strongly discourage you from bringing cell phones to avoid any loss or damage as well as keeping Camp as electronic-free as possible. Phones are available to you to make necessary phone calls in the office. If you wish to bring your cell phone, you are responsible for the location of your phone and to be respectful of the camp experience.

Mail: Will be given to you at mealtimes.

Visitors: We prefer that campers do not receive visitors while at Camp unless necessary.

Medical insurance: The Wisconsin Lions Camp does not carry any type of medical insurance for our campers. You are responsible for any and all medical costs.

Transportation: You are responsible for your own transportation to and from Camp. We are able to pick up and drop off campers at the bus station in Stevens Point. Please call Camp at least two weeks prior to your arrival to notify us of the arrival time at the bus station.

Spending money: The \$25.00 deposit paid with the application will be transferred to your store account in the trading post for your use during the week. At the end of the session you can choose to have the balance refunded to you or donated to Camp.

Birthdays: If you celebrate a birthday at Camp, we'll celebrate with you! We will check with you at Camp to ensure you're comfortable being recognized for your birthday and if so, you'll get a birthday treat and song at lunch.

Special diets: Our food service staff work with many special diets. After we receive your special diet forms, you will be contacted prior to your Camp week to ensure we are able to meet your special diet needs.

Lost and found: Label all your items before coming to Camp. Before departing, please check your luggage to ensure that all items are there. We will only mail back items on a COD basis. Items left at Camp will be held until Labor Day and then donated to the local Goodwill.
